	Four Church Farm	Technology/Website Motion passed to purchase a new computer for church office secretary. Kerrill will provide a tax exempt form for the purchase.	

**Treasurer’s Report (10 minutes – including McDaniel Education and Danford Funds?)**

Approved as written/presented:

Income exceeded budget by \$826. Facilities expense looks way over because we paid the annual church insurance of \$7,123 in May. This includes the umbrella liability policy. Flower expense includes the billing for the Easter lilies. We sent a check of \$800 to the McDaniel Education Fund. This includes the \$250 from the Memorial Fund, but does not include any checks made directly to Nikki from the congregation. Mutual funds seem to be making slight gains, but will report on them at the end of June. Motion made to provide \$2500 per semester (to be reviewed annually) for Tim Jordan’s living expenses as he pursues a Masters of Divinity degree, using first the interest from the Danford Fund, then using funds from the Bob & Ruth Watson Fund. Motion passed. Respectfully submitted, Kerrill Foster

**Pastor’s Report (5 minutes)**

Approved as presented:

Follow-up letters have been written, and will be sent to all participants. Council members will then call participants to gauge interest in taking their project area(s) of interest further. Pastor will discontinue using the Sundays & Seasons Planning Program for weekly planning, but will keep it as a resource for future use. Information will be put into a word document format.
