A Marvelous Footnote

“If I am asked
what are my grounds for hope,
this is my answer:
Light is lord over darkness,
truth is lord over falsehood,
life is ever lord over death.
Of all the facts I daily live with,
there is none more comforting than this:
If I have two rooms,
one dark, the other light,
and I open the door between them,
the dark room becomes lighter
without the light one becoming darker.
I know this is no headline,
but it’s a marvelous footnote.
And God comforts me in that.”

This brief meditation by the Lutheran theologian Gerhard Emmanuel Frost is one of those literary bits I desperately wish I had written. It reminds me again what the Reign of God looks like, which is the highest compliment I can pay any such writing. It fills me with hope and peace, two commodities I can never get enough of.

We live in a time of pandemic, bitter political divides, warfare, and the anxiety of climate change. Meanwhile, we watch the days grow shorter as we sink into the darkness of the coming winter months. Who could blame us for feeling a bit

pessimistic. At the same time, however, we are entering into the church season of *Advent*, which embraces simultaneously the ideas of *anticipating* and *coming*. We anticipate the coming of a star and the inbreaking of God's glory into our benighted lives. These uncertain days *will* give way to better ones as surely as night must give way to morning. It is already written in the pages of creation and in the DNA of our lives. Nothing can stop it.

May God give you peace during these anxious times and fill you with the certain hope of better days to come. Pastor Martin

THRIVE! IS ALIVE! A BIG THANK YOU to all who generously pledged in our thrive campaign. We quadrupled our original goal of \$7500 for a total commitment of \$31,243. There have been questions about how and when to start your donations. You may start now. Remember to make your checks to Saint Paul's, and we will pass the funds on to the Synod. Your Thrive donations will appear on your church contribution statements. Please see below for a message from the Synod Committee Chair:

Good morning! I received word yesterday from Sadie about the amazing results of your Thrive campaign. Such generosity is the result not only of generous hearts but also of excellent leadership.

THANK YOU for running such an excellent campaign! You clearly informed, motivated, asked, and thanked the gracious people of St. Paul's in a most effective way. I mentioned to Sadie that averaging over \$1,000 per household (\$31,243 from 28 households) is likely a record for our synod. You, therefore, serve as an inspiration for the rest of us and a model for how to run a campaign.

Please convey my heartfelt gratitude to the people of St. Paul's. I pray you will be blessed through your experience by knowing you are helping many others in our synod, by benefiting from Thrive programs yourself, and perhaps by using the Thrive model for your own future stewardship campaigns.

Grace and peace, Pastor Larry Donner Thrive! Campaign Manager

Budget Totals	\$ 229,889	\$ 245,477

Anticipated Income:

Estimate of Income	\$177,300.00
Anticipated Deficit	(\$68,177.00)

Here is a summary of the changes:

Pastoral Care Since we called Pastor Gehring under the Southern Ohio Synod Guidelines and providing the Gold Level of benefits through the Portico Benefits offered by the ELCA, those benefits were used to calculate the 2023 salary, housing and benefit package. Unlike in past years there is no service credit given for years in ministry, rather the base salary and housing benefit both increase in 2026 with 26 years of service was denoted as \$76,740 for both housing and base salary. Since housing allowances are a separate tax line, I extrapolated the 4% salary increase and service credit making the base salary \$59,808 and the housing allowance the balance of \$17,540. Portico Benefits offers a benefit package calculator which computes the health care costs for 2023 to be \$30,552 – an increase of a little over \$1,332 or 5% which is a phenomenally low health care increase. With other benefits and Social Security, the total cost of Pastoral Care is \$130,480.26.

Supporting Staff Council is recommending a cost-of-living adjustment for most of the staff. This amount will be a 5% increase pending performance reviews. The secretary's wage would increase from \$10.75 per hour to \$11.29. The sexton's wage would increase from \$15 per hour to \$15.75. The Organist increases to \$15,750 annually, a 5% increase, and Choir Director at \$8,400. The Financial Secretary's rate of pay from \$14 to \$15 resulting in a net increase

of \$300. No benefits are paid to support staff except Social Security and Medicare.

Property The property budget has been increased by \$8000 to cover the cost of anticipated parking lot repairs and as a cushion against rising utility bills.

Income Based on the last few recent months, offerings were calculated at \$13,000 a month. Interest income was reduced across the board due to declining and abysmal interest rates. Rental property return was left at \$20,000 to be conservative.

The expected deficit is \$ 67,177.85. Operating Fund balance stands at \$88,163.13 and can absorb this deficit. In 2024 we will need to use savings to cover the deficit amount. This was discussed when we prepared to call a full-time pastor, so the deficit is not unexpected, but cannot continue indefinitely.

Please attend one of the budget meetings on December 3rd and 4th to be held after the services for more information.

Nominees for the 2023 Congregation Council: The council has 9 members and members are elected on a rotating basis. For this election there are **three** open places for men and **two** open places for women. Below are brief biographies of the nominees.
